Supplement Facts

RECOMMENDATION: Take 1 softgel daily with or without food. Do not chew or crush. Store in a cool, dry place. If taking any medications, consult a healthcare professional before use.

What is Reuteri?
Lactobacillus reuteri is a unique probiotic that maintains digestive balance and supports immune health.*

WHY TAKE PRIMADOPHILUS® REUTERI?
Maintaining a proper level of Lactobacillus reuteri SD-5865 and other Lactobacillus & Bifidobacterium cultures in the intestinal tract can:
1) help support healthy immune function,* and
2) promote healthy digestion.*

Primadophilus® Reuteri Pearls help fortify the intestinal tract with a unique combination of active Lactobacillus and Bifidobacterium cultures.*

DIGESTION & IMMUNITY*

True Potency™ ensures the stability of active cultures at room temperature for the entire shelf life. **True Release™** ensures survival through stomach acid for maximum delivery into the intestinal tract. **True Identity™** ensures that only the probiotic strains listed on the label are present in the product.
