Proper protein intake is vital for any muscle building or weight loss program, providing your muscles with the necessary fuel for lean-muscle building, performance and recovery. A high-quality protein can help you make sure that you're getting the required nutrients and building blocks for your health and fitness goals.*

WHEY HD™ IS AN ULTRA-PREMIUM MUSCLE BUILDING PROTEIN POWDER. This protein formula features multiple quality whey and milk proteins resulting in a nutritious and multi-functional protein supplement that ensures a superior bio-available protein source for athlete muscle. WHEY HD™ includes a unique enzyme formulation to support the digestion of protein, and delivers 5.5 grams of branched chain amino acids per serving to counter muscle protein breakdown. As any athlete and active individual knows, high-quality protein is essential for building and maintaining lean muscle mass.*

OUR COMMITMENT:

To you. To your goals. To your health.

It's what drives us to deliver the highest quality and most effective sports nutrition supplements available. Your success is the foundation of ours. That's why we only use the best ingredients and the most precise manufacturing standards to create powerful supplements that yield proven results. Results you can see and feel.

Every bottle of WHEY HD™ is made using a natural, cold temperature, micro-filtration process. This keeps the protein pure without losing the much-needed micronutrients. How do we ensure every bottle meets the BPI standard? We have them tested by ChromaDex®, an independent laboratory and one of the most respected names in sports nutrition.

"ZERO PROTEIN SPINNING"

The ChromaDex® Quality Verified seal means no protein "spiking" and confirms that every product meets the specifications for ingredient identity, contaminants, heavy metals and microbes. This serves as objective proof that our proteins are compliant with cGMP (Good Manufacturing Practices) and that what you see listed in our ingredients is what is inside our products. Nothing Less, nothing more.
