Triple-Action Pain Relief*

Curica® Pain Relief provides the full researched dose of three unique, plant-based actives (curcuminoids from turmeric root, AKBA from boswellia gum, and salicin from willow bark) to help:

- **Relieve occasional pain and stiffness** due to overexertion, strain or exercise.*
- **Improve mobility** to more comfortably perform daily tasks.*

Turmeric • Boswellia • Willow

Superior Bioavailability for Superior Results

Curica® Pain Relief provides superior bioavailability of curcuminoids (from Meriva® turmeric) and AKBA (from AprèsFlex® boswellia) into the bloodstream for long-lasting results.

- **Meriva** is a researched complex of standardized turmeric extract and phosphatidylcholine with up to 29x better bioavailability of total curcuminoids versus an ordinary turmeric extract.
- **AprèsFlex** is a boswellia extract with a standardized potency and enhanced bioavailability of AKBA.
