

5-HTP is a mood/appetite regulating neurotransmitter.*

Caution: This product should not be consumed by children under the age of 12 years or by pregnant or nursing women. Some may experience gastrointestinal (GI) upset including abdominal cramping, nausea or diarrhea while taking this product. As with any supplement, if discomfort persists discontinue use. Those suffering from GI disorders such as ulcers, irritable bowel disease, Crohn's disease, ulcerative colitis or celiac disease, should not use 5-HTP. Those taking prescription anti-depressants should not use 5-HTP. Do not take this product if you have or are taking medications for epilepsy, scleroderma or Parkinson's disease. This product may cause drowsiness and should not be used while driving or operating heavy equipment.

Keep out of reach of children. Safety sealed with printed outer shrinkwrap and inner bottle seal. Do not use if either seal is broken or missing.
