

DIETARY SUPPLEMENT

Suggested Usage: 1 tablet per day or as directed by a health professional. Keep out of reach of children.

Biotin is a member of the B vitamin family that functions in the manufacture and utilization of fats and amino acids. Biotin deficiency is characterized by dry, scaly skin and seborrhea. Biotin supplementation has been shown to increase the strength of nails and promote healthy hair.*

All Natural Factors products are manufactured according to Canadian Health Protection Branch Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives, color or sweeteners; no corn, dairy, soy, starch, wheat or yeast. Sealed for your protection. Do not use if seal on cap is broken. For freshness, store in a cool, dry place.
