

USAGE: Take 1 softgel 1 to 2 times per day or as directed by your qualified health care consultant.

- **CarotenAll®** contains alpha- and beta-carotene extracted from palm fruit (Caromin®) in ratios identical to carrots. One softgel of CarotenAll® provides greater amounts of the major carotenoids (Alpha-, Beta-Carotene, Lutein, Zeaxanthin and Lycopene) than 5-6 servings of fruits and vegetables.
- **Lycopene** is an antioxidant carotenoid extracted from GMO-free tomatoes by Lyc-O-Mato®. Lycopene supports healthy prostate function and protects against damage from free radical singlet oxygen.*
- **Lutein** is an antioxidant carotenoid that occurs in nature with zeaxanthin. Dietary lutein and zeaxanthin concentrate in the eye's macula and lens and protect these tissues from oxidative stress.* **Astaxanthin** is a highly potent antioxidant carotenoid found in seafood and algae that protects lipids from peroxidation.*

Keep out of the reach of children.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
