

Forskolin Lean & Tone

WITH PATENTED
ForsLean®
INCLUDING 20% FORSKOLIN

"ForsLean® shifts the proportion between lean body mass and adipose, or fatty, tissue in favor of lean body mass, which improves overall health," explains N. Kalyanam, Ph.D., Sabinsa Corporation's President of Research and Development. "The effect can be measured by decreases in the waist/hip ratio and the body mass index."

ForsLean® is a proprietary ingredient, patented for use and composition in promoting lean body mass, reduction of adipose tissue (fat) and weight loss (US Patent # 5,804,596). Look for real ForsLean, listed by name, rather than a generic, unproven form of forskohlii to ensure quality and results.

PATENTED WEIGHT-LOSS POTENCY!

Forskolin Lean & Tone

WITH PATENTED
ForsLean®
INCLUDING 20% FORSKOLIN

In CLINICAL STUDIES on the patented ingredient used over 12 weeks, subjects showed:

- Improved fat-burning metabolism^{4A}
- Enhanced lean, toned muscle^{4A}
- Support in losing excess body weight⁴ to feel better about appearance⁴

DIETARY
SUPPLEMENT | 60 VEGGIE CAPS | FULL 30-DAY SUPPLY

Forskolin Lean & Tone

WITH PATENTED
ForsLean®
INCLUDING 20% FORSKOLIN

DIRECTIONS FOR USE: As a dietary supplement, take one serving (1 veggie capsule) twice daily with a full glass of water, preferably on an empty stomach, about 30 minutes prior to meals. Take one serving upon waking (before breakfast), and take a second serving between lunch and dinner. Please read the entire label carefully before use.

Supplement Facts

Serving Size: 1 Veggie Capsule	
Servings Per Container: 60	
	Amount Per Serving
ForsLean® (<i>Coleus forskohlii</i>) extract (root)	
Standardized to 10% and 20% Forskolin	250mg*
* Daily value (DV) not established.	

OTHER INGREDIENTS: Cellulose, Vegetable Magnesium Stearate, Silicon Dioxide.
ForsLean® is a registered trademark of Sabinsa Corporation. US Patent #5,804,596.
NOTICE: KEEP OUT OF REACH OF CHILDREN. For adult use only. Do not exceed recommended dose. Consult a physician prior to using this product if you are pregnant, nursing, taking medication or have a medical condition. Discontinue use two weeks prior to surgery. Seek the advice of a health care professional before beginning any supplement or exercise program. If you or your doctor has any questions about this product, please call 1-888-752-6615. Improper use of this product will not improve results and is not advised. Only follow a reduced calorie diet under the supervision of a doctor. Consult with your primary physician prior to use if you have any pre-existing medical conditions, including high blood pressure, thyroid problems, nervous disorders, or if you are using MAO inhibitors or taking any prescription drugs. **WARNING:** For California residents only: This product contains substances known to the state of California to cause cancer and birth defects and other reproductive harm. **DO NOT USE IF PACKAGING HAS BEEN TAMPERED WITH. STORE IN A COOL, DRY PLACE (80°F TO 80°F).**

PATENTED WEIGHT-LOSS POTENCY!

Do you want a lean and toned body? This new breakthrough can be the key to both!

Coleus forskohlii is an herb originating from India. Yet not all *Coleus forskohlii* are the same. Recent breakthroughs credit a special extract as the key to looking leaner.

Here's the skinny on how it works and why this patented extract may help you sculpt a leaner, sleeker body.^{4A}

ForsLean® is the proprietary extract of *Coleus forskohlii*'s active ingredient, Forskolin. It increases cAMP (Cyclic Adenosine Monophosphate) to help increase lean body tissue and break down fat tissue.^{4A}

FORSLEAN 12-WEEK STUDY RESULTS

Generic forskohlii products can't guarantee purity or potency. **FORSKOLIN LEAN & TONE** with ForsLean offers the only patented extract with published studies showing a decrease in body fat and body weight and an increase in lean tissue.^{4A}

In one study, ForsLean subjects lost 4.02% of their total body weight while the placebo group actually gained weight (.29%). In a subsequent 12-week, randomized, double-blind, placebo controlled study, ForsLean subjects lost 9.9 lbs of fat mass and gained 8.1 lbs of lean body mass [vs. fat loss of 1.1 lbs and gain of 3.45 lbs lean body mass for the placebo group].^{4A}

The conclusion? ForsLean has been shown to increase important metabolism-boosting lean tissue as it reduces body fat, helping our bodies become more efficient fat-fighting machines. So if your goal is to look leaner and more toned, Forskolin Lean & Tone with patented ForsLean may help you tip the scales in your favor so you can reach your goals faster.^{4A}
