Keep out of reach of children.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

No. 68 is a high quality iron formulation designed for those who require additional iron. This formula utilizes carbonyl iron which has been found to be highly bioavailable and easy on the stomach. "Carbonyl" refers to the process of manufacture of this small particle preparation of highly purified metallic iron. Almost two-thirds of the iron in our bodies is found in hemoglobin, the protein in red blood cells that carries oxygen to the tissues in the body. Iron may help promote a healthy immune system and increase energy production.*
