No. 42 Chlorophyll is a unique scientific formulation consisting of Chlorophyll, Alfalfa Leaf and Alfalfa Juice Concentrate, combined with Wachters' Exclusive Blend of Sea Vegetation®. Our blend has been specifically created using up to 15 different species of sea vegetation from around the world. It is this incredible quality Blend that makes our Chlorophyll superior to anyone else's on the market, serving as the synergistic activator of the Chlorophyll, enhancing its effectiveness. Chlorophyll is a green pigment that is the life force of plants and one of the purest forms of natural food. It contains Magnesium an essential mineral for optimum body cell function and health. Chlorophyll can act as a blood cleanser, its molecular structure is chemically similar to human blood with the exception that human blood has iron as it's central atom and chlorophyll has magnesium.*
