

Hawthorn Extract Used in Research

HeartCare™ contains the actual hawthorn extract used in research studies. It supports efficient heart muscle metabolism by helping improve its oxygen and energy utilization.*

18.75% Oligomeric Procyanidins

While many other hawthorn extracts contain vitexin from the plant's berries, HeartCare is standardized to oligomeric procyanidins extracted from the leaves and flowers for optimal effectiveness.

Keep out of reach of children. Safety sealed with printed outer shrinkwrap and inner seal. Do not use if either is broken or missing.

GLUTEN FREE. No sugar, salt, yeast, wheat, soy, dairy products, artificial flavors or preservatives.
