No. 38 High Potency Multi-Vitamin with Minerals is an excellent "1" a day formulation consisting of B-Complex Vitamins, Vitamin C Complex, plus Vitamins A, D and E at nutritional levels that may aid in relief of stress and frustration. The B Vitamins in this formula help to maintain the health of the skin, eyes, liver, hair as well as healthy muscle tone in the G.I. Tract. All B vitamins are necessary for proper functioning of the nervous system. Vitamin C and its related constituents can be important to adrenal gland function and stress can deplete adrenal gland hormones. Beta Carotene and Natural Vitamin E work well together as antioxidants to counter damaging free radicals caused by stress.*
