2,200 MCG • 30 TABLETS

Supplement Facts

Serving Size 1 Tablet

	Amount Per Serving	%DV
Calcium	64 mg	6%
Vitamin K1 (as phytonadione)	1,820 mcg	2,275%
Vitamin K2 (as menaquinone-4)	200 mcg	250%
Vitamin K2 (as menaquinone-7 [MenaQ7®])	180 mcg	225%

Other ingredients: microcrystalline cellulose, dibasic calcium phosphate, hydroxypropylcellulose, magnesium stearate, and silica.

Suggested use: 1 tablet daily with a meal.

VITAMIN K2 ADVANTAGE™ uniquely delivers three powerful forms of vitamin K important to bone and heart health—K1, and two forms of K2, known as MK-4 and MK-7. A potent form of K2, MK-7 works in two ways—it supports bone density and maintenance of normal vascular elasticity by helping direct proper amounts of calcium to the appropriate tissues. K2 MK-7 is highly bioavailable, lasts up to 12X longer than other forms of vitamin K, and is provided in this formula in a clinically backed dose. This complete vitamin K complex is vegan and non-GMO.*

STORE IN A COOL, DRY PLACE.

WARNING: If you are pregnant, may become pregnant, breastfeeding, or if you are taking anticoagulant drugs such as warfarin (Coumadin®), consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

MenaQ7™ is patented and is a trademark of NattoPharma ASA, Norway.
