DIRECTIONS FOR USE: Mix 1 scoop SuperPump 250® with 4-8oz (120-240ml) of ice cold water and drink 30-45 minutes before beginning any physical activity. Due to the extreme potency of this product, assess your tolerance by first trying 1/2 a serving (1/2 scoop) mixed with 2-4oz (60-120ml) of ice cold water. **Do not exceed more than 1 full scoop in any 24 hour period.**

WARNING: Seek the advice of a health care practitioner before use, especially if you have any pre-existing medical condition including (but not limited to): hypotension, hypertension, heart, liver, or thyroid disease, diabetes, psychiatric disease, asthma, pernicious anemia, anxiety, depression, seizure disorder, cardiac arrhythmia, stroke, difficulty urinating due to prostate enlargement, or if you are taking a MAO inhibitor or any other prescription drug(s). Do not use if you are pregnant or nursing. Reduce or discontinue use if excessive sleeplessness, tremors, dizziness, nervousness, headaches, or heart palpitations occur. For use by healthy adults only. Not intended for use by persons under the age of 18. **User assumes all risks, liabilities and consequences related to performance enhancement testing and use of this product. Please check with your regulatory body before using this product.**

KEEP OUT OF REACH OF CHILDREN.

Note: Do not store in direct sunlight, store in a cool dry place.
