NOTE: If you are pregnant, may become pregnant, or breast-feeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

The *Wellness Family*™ of products is designed to support the body's defense system when under physical stress. **WELLNESS GARLICCELL™** represents a major breakthrough in garlic supplementation. Garlic is known to help maintain healthy cholesterol levels when taken in conjunction with a low-fat, low-cholesterol diet.* Our proprietary enteric-coating process protects the potential of allicin, garlic's main active component, until it reaches the small intestine, where it is released and immediately absorbed. Guaranteed to yield 6,000 mcg of allicin per tablet.

Suitable for vegetarians and HYPOALLERGENIC: contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, preservatives, or artificial color, flavor or fragrance.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
