

 **Plum Flower® Yin Chiao** is based on a classical Chinese herb formula almost two centuries old. This ancient formula has been codified in the Chinese Pharmacopoeia, and is still a useful formula in our modern age.

Plum Flower® Yin Chiao is made according to tradition, and extracted ingredients are carefully blended and extracted together at a controlled temperature, allowing the herbs to enhance and balance one another. It is produced in a select, Good Manufacturing Practices (GMP) certified facility, and each batch is quality tested to ensure safety and efficacy. Plum Flower® Yin Chiao in blister packs is faithful to tradition, but made for your lifestyle.

Plum Flower® formulas are made the way Chinese medicine was meant to be.™
