RapidRelief[™]

You can maintain optimum health when you give your body the right support. Gaia Herbs' RapidRelief[™] products deliver results fast, so you don't interrupt your active life.*

Throat Shield[™] Lozenges

A healthy throat is moist and consists of a mucous membrane layer, which acts as a protective barrier. Aloe, Sage, and Myrrh help maintain the normal protective lining in the throat by providing hydration and immune support.* Polysaccharides naturally found in this proprietary blend have immune supportive characteristics that help the membranes of the throat support a normal inflammatory response.*
