

WellZymes™ Protease provides pHysioProtease™, a proprietary blend of proteases proven through independent research to be optimally active in blood and body tissues, to support normal inflammatory and tissue repair processes, healthy blood, a strong immune system, and balanced hormone levels.*

Recommended Use: One capsule two to three times per day on an empty stomach. (For best results, take at least two hours after and one hour prior to a meal.) Take with adequate liquid.

Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. Keep out of the reach of children.

Contains no animal/dairy products, wheat, soy, yeast, corn proteins, sugar, salt, preservatives or artificial ingredients.
