

NON-GMO

Avurveda teaches the best defense for wellness starts with our thoughts and describes the plants and foods that support peace of mind. These learnings are the foundation for Himalava's StressCare®.

The combined ingredients in this adaptogenic formula nurture the adrenal glands, which control the amount of cortisol (stress hormone) released into the body supporting energy, vitality and stress response.*

HAPPINESS THROUGH WELLNESS

Crafting traditional medicines based on Avuryeda, a 5,000 year old science that believes the journey back to wholeness begins with nurturing the capacity for joy.

Trusting the gifts of nature and the irreplaceable relationship between the plant and its native soil for consistent healing properties.

Contributing to the wellness of the earth by teaching our family of farmers to grow native plants sustainably on their land and reduce the demand on the local environment.

Building communities by advocating women in farming, protecting fair prices. providing maternal health, sponsoring clinical services and offering school wellness programs.

Believing that if wellness is the path to happiness, we must contribute to the wellness of all things. Wellness of people, wellness of the environment, wellness of our communities
