Consult your health care professional before using this product if you are currently taking any prescription medications, or if you are pregnant, may become pregnant, or breastfeeding.

Bacopa has been revered for centuries in the Ayurvedic herbal tradition of India to enhance clear thinking and support memory function. Studies have shown that Bacopa supports learning and memory in humans, provides antioxidant protection for critical memory centers and helps to reduce the effects of stress on the brain. For both young and old, Bacopa is ideal for those wishing to enhance their memory potential.*

STORE IN A COOL, DRY PLACE.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
