

What is Kyolic®?

Liquid *Aged Garlic Extract*™ begins with 100% organically† grown garlic bulbs. They are then aged to perfection in a unique extraction process to eliminate odor and create the beneficial compounds found only in Kyolic.

Why Should I Take Kyolic?

Kyolic has multiple benefits:

- **Cardiovascular health.** Aged Garlic Extract supports your cardiovascular system, healthy homocysteine and cholesterol levels.*
- **Immune system health.** Kyolic supports your body's natural defenses.*
- **Detoxification.** Studies show that Kyolic helps the liver to produce glutathione, the body's natural detoxifier.*
- **Anti-Aging.** Our unique natural aging process (up to

twenty months) of organically grown garlic helps to keep you from aging!* Kyolic liquid has unique and beneficial anti-oxidant compounds created by this special process.*

How Do I Take Kyolic?

Take 1/4 or more teaspoons of liquid Kyolic in your favorite beverage, or fill one or more #00 capsules and take with a meal twice a day. Kyolic is safe, so take more as needed.

Take the best — **Kyolic Aged Garlic Extract**, the most scientifically researched, highest quality and best-selling odorless **Sociable Garlic**®.
