

Looking to get your calcium needs with an easy alternative to swallowing tablets? This liquid Target-Mins® formulation contains the same benefits as our Target-Mins® calcium magnesium tablet products, in the convenience of a liquid. A 1-ounce dosage is all that is needed to fulfill your daily requirement to support bone health and keep teeth strong.\*\* Available in Blueberry flavor – now improved and better than ever.

Target-Mins® are made with specific free-form amino acids and uses a calcium: magnesium and calcium: phosphorus ratio of 2:1 to support calcium utilization.\*\* To further support proper regulation of the body's calcium, Vitamin D3 was added.\*\* This formula is developed with calcium and magnesium complexes that include calcium citrate and magnesium glycinate.

Looking for other liquid supplement options? Try Country Life's Liquid Multivitamin & Mineral Complex – containing a blend of aloe vera plus mangosteen and noni juices. It's a delicious and nutritious combination of juices infused with essential vitamins and minerals needed daily.

Adequate calcium and Vitamin D as part of a healthful diet, along with exercise, may reduce the risk of osteoporosis later in life.

See container for "Lot No." and "Best By" date.
