

HeartShape Red Yeast Rice is produced by Sylvan Bio, Inc., the only U.S. producer of Red Yeast Rice. This organic product is vegetarian, Non-GMO and 100% grown, produced and bottled in the USA. Every batch is rigorously tested for consistency and quality. Red Yeast Rice is designed to be used by adults to help maintain healthy cholesterol levels, in combination with a healthy lifestyle.

WARNING: Do not use if you are pregnant, may become pregnant, breastfeeding, or under the age of twenty. Individuals with liver disease or those currently taking statins or other medications should consult with a licensed healthcare practitioner prior to use. Should not be taken in combination with grapefruit products. This product contains a chemical known to the State of California to cause birth defects or other reproductive harm. Immediately discontinue use if you experience any unexplained muscle pain or tenderness, especially if accompanied by flu-like symptoms. Do not take if you consume more than 2 drinks of alcohol per day. Do not take if allergic to soy or rice products.
