Turmeric Supreme Heart

For thousands of years Turmeric has been valued in Ayurveda, the traditional medicine system of India. Today, science has identified compounds in Turmeric, Curcumins in particular, which support healthy inflammatory function—maintaining overall health and vitality.*

Turmeric Supreme Heart combines Turmeric with other herbal extracts to support healthy cardiovascular function.* Resveratrol, Hawthorn, and Coleus all supply flavonoid compounds to promote the health of both the heart and vascular system.* Black Pepper extract is included for increased absorption and bioavailability of Curcumins.*
