Serving Size 1 Teaspoon (approx. 5 mL)

Servings Per Container 23

Amount Per Serving

Pau D'Arco Inner Bark Extract 5 mL†

†Daily Value not established.

Other ingredients: grain alcohol (30%), purified water.

Source Naturals **PAU D'ARCO** extract is made from the highest quality inner bark of the purple lapacho trees found in Brazil and northern Argentina. Ever since ancient times, when it was a standard for the medicine men of the Inca Empire, pau d'arco (also known as ipe roxo and taheebo) has been one of the most widely used herbs in South America. Its popularity is attributed to the active constituent, lapachol, which has been the subject of numerous scientific studies. This extract is more than 3 times as potent as common tinctures.

Suggested Use: Mix 1/2 to 1 teaspoon of this natural extract into tea or juice to drink between meals.

SHAKE WELL BEFORE USING.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians and **HYPOALLERGENIC:** contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
