† Daily Value Not Established.

Ingredients:

Structured filtered spring water, magnesium, calcium, potassium and sodium chlorides with a range of naturally occurring medicinal and trace minerals.

Suggested Use:

Add one half dropper to 8oz of chlorine free water. Use once or twice daily.

Lot: MOL1708 Made: 8/17

Using unique proprietary processing, ESME delivers billions of supercharged molecules of magnesium, calcium potassium and a full range of trace minerals lightly bonded into a highly absorbable crystalline water matrix.

Each serving fuels cellular health, hydration, regeneration and redox signalling processes.

Add to clean non-chlorinated water. Drink from glass or plastic, avoid contact with metalware.
