

Suggested Use: As a dietary supplement, take two (2) vegetarian capsules once a day with a meal or as directed by your health care practitioner.

Indicación: Como un suplemento diario, tomar dos (2) cápsulas al día con la comida ó como sea recomendado por su profesional del cuidado de la salud.

Description: Peruvian Black Maca is considered to be the most potent, nutrient dense variety of Maca with only 10% of all maca grown in nature being black. It traditionally has been used by the indigenous Peruvian people for both men and woman in search of extra energy, stamina, libido and fertility.* Gelatinized Black Maca is up to 90% more absorbable than non gelatinized Maca Root.*
