

N-FUZED CANDIDA QUICK CLEANSE

Is a revolutionary product that infuses the essence of Candida albicans into the crystalline structure of water. Using the same principle as "like treats like", n-fuzed Candida assists the body's immune system to remove systemic Candida from the blood and soft tissues while it helps restore its natural balance in the colonic tract.* In fact, independent laboratory studies confirm that n-fuzed Candida inhibits Candida in vitro in just 3 days. A safe and holistic solution.
