Directions for use: Pour 6 level, white bottle capsful of powder into a cup. Add 12 fl. oz./360 mL (line on the overcap indicates 2 fl. oz./60 mL) of water and stir. As a dietary supplement, take once daily or as directed by your healthcare provider. Maximum absorption occurs when taken on an empty stomach. This product is isotonic only if the specified amounts of powder and water are used.

This vegetarian product contains no added wheat, soy, yeast, gluten, artificial flavor, salt, preservatives or milk.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call a doctor or poison control center immediately. You should talk to your healthcare provider before using this product, which contains potassium. If you are using potassium-sparing diuretics, angiotensin-converting enzyme (ACE) inhibitors, or any drugs, have any diseases or illnesses, or if you are under the care of a healthcare provider for any reason. If you are currently using warfarin (Coumadin), other antiplatelet aggregation drugs, amitriptyline (Elavil), diazepam (Valium), zileuton (Zylo), you should consult your healthcare provider before using this product. Women who are pregnant or breastfeeding should not use this product. If you are currently using prescription drugs or have an ongoing medical condition, consult your healthcare provider before using this product. For use by adults over 18 years of age.

KEEP OUT OF THE REACH OF CHILDREN. Store in a cool, dry place. Do not use if safety seal is broken or missing.
