

SUPERSILICA PLUS!

Silica is a vital nutrient. It is a major component of hair, skin, nails, bones, and all the soft tissues of the body.* Silica deficiency increases with age. Silica deficiency is a contributing factor in many age-related conditions such as increased brittleness of the skeletal system, chronically sore muscles and tendons, skin wrinkling, and even dementia.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

WARNING: Consult your physician before use if you are pregnant, lactating, have a medical condition or are taking any medication. Keep out of reach of children.

Hypoallergenic: This product does not contain soy, milk, eggs, fish, Crustacean shellfish, tree nuts, peanuts, wheat, yeast, salt, preservatives, artificial color, flavor, or fragrances.
