

NutriClean®

digestive, liver and colon maintenance†

Advanced Fiber Powder

Net. Wt. 12.05 oz / 341.6 g

Dietary Supplement

While the U.S. Surgeon General and many professional health organizations recommend a diet containing 25 to 30 grams of fiber per day for a 2,000- to 2,500-calorie diet, most diets barely provide half of the needed intake – about ten to 15 grams per day. With one daily scoop of Market America's **NutriClean® Advanced Fiber Powder**, you receive nine grams of needed fiber that will supplement what you are not able to take in through food.†

Directions for Use: Mix one rounded scoop (12.2 g) of NutriClean® Advanced Fiber Powder in an eight-fluid ounce glass of cold water, stir or shake briskly and drink immediately. Drink plenty of fluids while using this product.

Warning: Do not use this product if you are experiencing abdominal pain, nausea or vomiting. Do not use if you are allergic to any of the listed ingredients. You should check with your physician regarding proper timing for taking a daily fiber product if you are currently taking any prescription drugs. If you have scleroderma (systemic sclerosis), you should consult your physician before taking any type of fiber product. Consult a physician if you have experienced a sudden change in bowel habits that has persisted for two weeks prior to taking this product. Rectal bleeding or failure to have a bowel movement after use of a fiber product may indicate a serious condition. If you experience these effects, discontinue use immediately and consult your physician.

Store at 15-30°C (59-86°F). Protect from heat, light and moisture. Do not purchase if seal is broken or missing.
