

NutriClean®

digestive, liver and colon maintenance*

Aloe A Natural Laxative

30 Tablets

Dietary Supplement

Directions: Take one to two tablets at bedtime with an 8-fluid ounce glass of water. **Indication:** This product is intended to be used in conjunction with NutriClean® 7-day Cleansing System or as a relief from occasional constipation. Aloe normally induces a bowel movement within twelve hours.

Warning: This product contains aloe. Read and follow directions carefully. Do not use if you have or develop diarrhea, loose stools or abdominal pain because aloe may worsen these conditions and be harmful to your health. **Consult your physician if you have frequent diarrhea. If you are pregnant, nursing, taking medication or have a medical condition, consult your physician before using this product.** This product contains aloe emodin (anthraquinone glycosides: aloin A and B) which is a laxative. If you are vomiting or running a fever, do not use this product. Consult your physician if you are using digoxin or prescription diuretics. If you are allergic to aloe ingredients, do not use this product. Consult your physician if you have experienced a sudden change in bowel habits that has persisted for two weeks prior to taking this product. Do not take this product longer than one week unless directed by your physician. Rectal bleeding or failure to have a bowel movement after use of cleansing products may indicate a serious condition. If you experience these effects, discontinue use immediately and consult your physician. **KEEP OUT OF REACH OF CHILDREN.**
