

Doctor's Best Lutein contains FloraGLO®, which supports healthy visual function, macular pigment density, and cognitive acuity.* Naturally sourced FloraGLO® is highly bioavailable and produced under a patented process. It's the most clinically researched lutein in the world.

Lutein is a major carotenoid with a high concentration in the retina of the eye. Lutein is a potent free radical scavenger in a number of tissues, including the eyes, skin, heart and lungs.* Both lutein and zeaxanthin work synergistically to promote eye health.*

Helps maintain healthy vision*

Helps promote sharper vision in low light*

Absorbs damaging blue light*

Helps support cognitive function*

Potent free radical scavenger*
