NUTRILITE® Garlic Heart Care contains concentrated garlic powder to provide clinically significant levels of alliin and has a new enteric coating, which minimizes breath odor coming from the stomach. Now more than ever, NUTRILITE Garlic Heart Care is GARLIC THAT DOESN'T TALK BACK®.

Garlic's effectiveness as an herbal wellness agent has been demonstrated by thousands of years of traditional use and more recently by clinical research. One of garlic's many benefits includes the support of overall cardiovascular health.∞
