Electrolyte Tablets

Unique performance formulation provides a scientifically-balanced and buffered supply of absorbable sodium, potassium, magnesium, and calcium.

SaltStick® Fastchews are formulated to provide electrolytes to help minimize heat stress and muscle cramping due to perspiration. This product is ideal for endurance athletes, outdoor workers, for use in hot conditions or in other situations where the body craves electrolytes.†

SUGGESTED USE: As a dietary supplement, adults take 2 tablets every 15-30 minutes during physical activity, for up to 50 tablets daily. Children under 18 should use only under adult supervision. Keep out of reach of children. Store dry and at room temperature.

Also available: **SaltStick® Caps:** Concentrated balanced electrolytes in a capsule, **SaltStick® Caps PLUS:** Caffeine and sodium citrate in an encapsulated high-performance electrolyte blend. **SaltStick® dispenser** carries and dispenses capsules.

DO NOT USE IF BOTTLE FOIL SEAL IS MISSING or DAMAGED. Lot # and expiration date stamped on bottle. Caution: Do not exceed the recommended dose. To report a serious adverse event or for product information: PO Box 4456, Thousand Oaks, CA 91359 USA
