

This proprietary formulation provides a scientifically balanced supply of stomach-soothing easy-to-absorb sodium and potassium.

SaltStick® Vitassium has been formulated to provide salts to help maintain electrolyte levels, support healthy blood pressure, reduce fatigue, support cognitive function, and reduce dizziness due to low blood pressure.[†]

SUGGESTED USE: As a dietary supplement, take one to two (1-2) capsules with water, three to four (3-4) times a day, for up to ten (10) capsules daily.

CAUTION: Do not exceed the recommended dose unless advised by your physician. Pregnant or nursing mothers, children under 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement. Individuals with hypertension, chronic renal insufficiency, diabetes, or those on a low potassium or low-salt diet should not use this product without physician guidance. Store contents cool and dry.
