Boswellia, also known as frankincense, has been a vital component of Ayurvedic medicine for thousands of years. Modern research has confirmed the effectiveness of boswellia for healthy lung and bronchial function.\*

- Features clinically studied, uniquely standardized BosPure® Boswellia
- Up to 10 times more AKBA than unstandardized boswellia – no spiking to increase this beneficial compound
- Purified to reduce undesirable beta-boswellic acid (BBA) content

**Recommendations:** 1 softgel daily, or as recommended by your healthcare practitioner.  
If pregnant or nursing, consult a healthcare practitioner before use.
