

Sucontral® D is a clinically studied German formula for blood sugar[†] balance and insulin function.*

This combination includes the exclusive *Hintonia latiflora*, a powerful botanical, vitamins B, C and E, and trace minerals chromium and zinc. This formula has been validated by over 60 years of German research.

- Helps maintain healthy blood sugar levels throughout the day[†]
- Supports healthy insulin function
- Slows glucose absorption
- Manages carbohydrate metabolism
- Supports healthy A1C levels*[†]

Recommendations: 1 capsule, twice daily, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before using.

[†] Supports healthy levels already within the normal range
