

Boswellia, also known as frankincense, has been a vital component of Ayurvedic medicine for thousands of years. Modern research has confirmed the effectiveness of boswellia for healthy lung and bronchial function.*

- Features clinically studied, uniquely standardized BosPure® Boswellia
- Extra Strength for advanced support; up to 10 times more AKBA than unstandardized boswellia
- Purified to reduce undesirable beta-boswellic acid (BBA) content
- Contains boswellia with high levels of naturally occurring AKBA – no spiking to increase this beneficial compound

Recommendations: 1 softgel daily, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.
