Zinc (as Zinc Monomethionine [OptiZinc®])	30 mg	200%

Other Ingredients: Whole Rice Concentrate (including Kernel, Polishings, and Hull), Gelatin Capsule, Cellulose, Kelp and Magnesium Stearate.

Discussion: OptiZinc® is a patented 1:1 complex of zinc and methionine, the amino acid that is best absorbed by the body. Studies show that OptiZinc® is absorbed better and retained longer than ordinary zinc supplements tested, and resists binding with dietary fiber and phytate, organic compounds that inhibit zinc absorption.

SOLARAY GUARANTEES that NO ingredients other than those listed on this label have been added to this product.
