

Supplement Facts (continued)

Recommendation: As a dietary supplement, take one tablespoon daily as is or in juice. May also be taken with honey or added to various foods.

Warning: If you are pregnant, nursing, taking any medications, or experiencing health issues, consult your doctor before use.

This product is not intended to diagnose, treat, cure, or prevent any disease.

Cal-Mag Liquid is a mineral suspension designed for those desiring an easy to swallow supplement rather than taking several tablets or capsules. Zinc and potassium have also been added to make a more complete liquid mineral product.
