Patented Ferment-A-Pure Technology

100% ALL NATURAL

CERTIFIED VEGAN VEGAN.ORG

For more than a century, Ajinomoto Co., Inc. has pioneered the development of new and innovative technologies used to manufacture and purify pharmaceutical grade amino acids. AJIPURE® amino acids are fermented using only natural plant-based carbohydrates as raw materials. Ajinomoto Co., Inc. never uses raw materials of animal origin in any production process. AJIPURE® amino acids stem from over 100 years of clinical and scientific research, yielding unsurpassed quality and purity. Industry leading purification processes allow quicker absorption, faster bio-availability, proven consistency and unrivaled efficacy.* Ajinomoto Co., Inc. is the global leader in production, sales and research of amino acids used for medical, pharmaceutical, nutraceutical, sport, nutrition and health industries.

THE GOLD STANDARD BSCG WWW.BSCG.ORG CERTIFIED DRUG FREE

Environmental Sustainability · Gluten Free · 100% Vegetable Fermentation · Laboratory Tested · Non-GMO · Instantized for Higher Solubility · Packaged in the USA · No Artificial Additives/Fillers · GMP Compliant

FUSIL® ADVANTAGE: Fusil® Lemon ("Fermented Ultra-Soluble Instantized L-Leucine") contains the world's highest purity, fermented, plant-source L-Leucine available on the global market. Unlike conventional L-Leucine which is very difficult to mix into beverages, Fusil® Lemon is instantized through a proprietary process for superior dissolvability and superior bioavailability.* Fusil® Lemon helps stimulate protein synthesis to build muscle and supports healthy blood sugar levels, endurance, energy and muscle recovery following physical activites.* Studies also suggest that L-leucine may provide support against muscle loss that occurs during the natural aging process, such as sarcopenia, when combined with a supervised exercise program under the care of a trained healthcare professional.* Ajinomoto Co., Inc. has been the world's leading producer of amino acids for nearly 100 years and has been producing pharmaceutical grade amino acids since 1956. Our amino acids are trusted for clinical research and used by medical doctors, hospitals, professional and Olympic athletes and professional health care facilities worldwide.

FUSIL® STACKS UP: Try stacking Fusil® Lemon with other AJIPURE® amino acids or other preferred supplements such as protein shakes and various powder preparations for an even more powerful boost.* For an added boost to muscular performance and maintenance, try stacking Fusil® Lemon with Fusi-BCAA® Lemon.*

PURE AND NATURALLY FLAVORED: Fusil® Lemon uses real fruit and vegetable blends to offer a delicious combination of natural flavor, natural color and natural sweetness in an easy to use powder. For optimal taste, simply mix one packet of Fusil® Lemon powder with cold water and consume completely while beverage is still cold.*

STIR, SHAKE OR BLEND: Fusil® Lemon is versatile in order to meet your specific needs. Fusil® Lemon may be mixed with cold water by stirring with a spoon, by shaking in a shaker or by blending in a conventional blender.

- **HELPS** stimulate protein synthesis to build muscle*
- May **PROVIDE** support against muscle loss that occurs during the natural aging process*
- **SUPPORTS** healthy blood sugar levels, endurance, energy and muscle recovery*
- **INSTANTIZED** process to provide increased solubility and improved efficacy*

30 Zero Sugar Low Calorie Single Serving Packets

AJIPURE® AMINO ACIDS

Fusil®
MADE BY
AJINOMOTO®
Amino Acid Supplement
LEMON FLAVOR
100% ALL NATURAL
Pharmaceutical Grade L-Leucine Powder
30 x 0.19 OZ. (5.6g) Packets • Net Wt. 5.91 OZ. (168g)
