Directions: Adults, two tablets twice daily with or without food as a dietary supplement.

CAUTION: Pregnant or nursing women, individuals taking medication(s) or persons who have a health condition should consult their physician before using this product.

KEEP OUT OF THE REACH OF CHILDREN.

Store at 15°–30° C (59°–86° F).

Adequate calcium as part of a healthful diet, along with physical activity, may reduce the risk of osteoporosis in later life.

Vitamin D₃ helps the body absorb calcium and is known for its beneficial effects on strong healthy bones.†
