Fiber Choice
Prebiotic Fiber Supplement
Why is Fiber Choice® a Better Choice?
Fiber Choice® is made of inulin, a 100% natural fiber found in fruits and vegetables. Inulin is a prebiotic fiber, meaning it stimulates the growth and activity of the friendly good bacteria that live in your digestive system.*
Prebiotic Fiber Nurtures Your Digestive Health Naturally*
It keeps food moving through your system, supporting your digestive track and aiding in regularity.*
Prebiotic Fiber Helps Maintain a Healthy Immune System Naturally*
A healthy digestive track is vital for a healthy immune system.* Inulin helps keep your digestive track balanced and the bad bacteria in check.*
Prebiotic Fiber Supports Good, Overall Health Naturally*
Daily intake of fiber is an important part of your overall good health.* Most Americans only get about half of the recommended 25-30 grams of fiber each day. So when you can't get the fiber you need from healthy foods, Fiber Choice® is a simple and tasty way to help close the fiber gap.
