

**Doctor's Best Digestive Health Probiotic** contains LactoSpore®, a shelf stable probiotic capable of withstanding the acidic environment of the stomach. LactoSpore® has been shown to help improve digestive upset and constipation. It has also been shown to help prevent episodes of diarrhea.\*

LactoSpore® (*B. Coagulans* strain) helps prevent the growth of bad bacteria (pathogenic microbes) and allows good bacteria (*B. coagulans*) to dominate the gut flora.\*

**Helps promote the growth of good bacteria\***

**Helps prevent the growth of bad bacteria\***

**Helps support intestinal health\***
