Servings Per Container: 30

Amount Per Serving	% Daily Value
Creatine Monohydrate	4800mg *
Creatine Phosphate Complex	190mg *
Creatine Pyruvate	10mg *

*Daily Value not established.

Other Ingredients: Dicalcium phosphate, vegetable stearic acid, vegetable magnesium stearate, croscarmellose cellulose, silicon dioxide, aqueous coating.

WARNING: Do not exceed recommended dose. Pregnant or nursing mothers, children under 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement. **Keep out of reach of children.** Do not use if safety seal is damaged or missing.

The equivalent of 1 serving of creatine powder in just 3 convenient tablets... and, from 3 different creatine sources! CREADRENE® triphase is one of the most effective creatine formulations on the market. It allows you to avoid the aggravation of having to mix powder without giving up any of the benefits. Simply take three tablets with a high carbohydrate beverage instead of your typical creatine monohydrate serving (5 grams) and you are ready to go!†

SUGGESTED USE: As a dietary supplement, take 3 tablets 30 to 45 minutes before and / or after training with 8-12 ounces of juice or high carbohydrate beverage.

It may be advisable to take this product in cycles: 4 to 6 weeks on, then 4 to 6 weeks off.

Do not exceed 6 tablets per day.
