

Slendersol™ promotes healthy cortisol levels, which play a crucial role in regulating appetite and glucose levels. If cortisol levels get too high, the body may become more susceptible to overeating and weight gain. Slendersol™ utilizes key ingredients to support balanced cortisol levels and a normal weight:

Garcinia Cambogia for metabolism support†

Green Tea to aid in thermogenesis & provide a natural energy source†

Maca Extract for balanced hormones & enhanced endurance†

Guarana to support energy levels & decrease fatigue†

Glucomannan to aid in normal digestion†

SUGGESTED USE: With 8 ounces of water, take one (1) capsule early in the morning and one (1) capsule early afternoon. Use in conjunction with a sensible diet and exercise program.

This product contains 217 mg of caffeine per serving (equivalent to 2 cups of coffee).

WARNING: KEEP OUT OF REACH OF CHILDREN. Do not use if you are pregnant, may become pregnant, breastfeeding, or taking any form of sedative. Store in a cool, dry place. Do not use this product if the safety seal on the bottle is broken.
