GOOD BACTERIA AND PROBIOTICS:

Common issues such as diet, changes in routine, travel and stress can disrupt your natural balance of good bacteria. Probiotics are good bacteria essential for many vital body functions, including healthy digestion.

WHAT MAKES ALIGN SPECIAL?

Align contains the unique, patented, pure-strain probiotic Bifantis (*Bifidobacterium infantis* 35624), which helps maintain your digestive system's natural balance.* Bifantis was developed by Gastroenterologists and, when taken daily, will help your body build and support a healthy digestive system.*

HOW LONG DO I NEED TO TAKE ALIGN?

For best results, take Align daily like vitamins or other supplements as a part of your healthy lifestyle. Align naturally helps fortify your digestive system with healthy bacteria 24/7.**

*With continued daily use.
