

Discover the *force* of the Whole™

Ginger *Force*™ supports blood platelet health and cardiovascular function, *in vitro*.^{*} Active ingredients support the growth of beneficial intestinal microorganisms, which are vital for intestinal health.^{*} The full spectrum of beneficial compounds found in Ginger *Force* is delivered using a supercritical extraction, whole-food approach to herbal supplementation. Ginger *Force* supports a **healthy inflammation response**.^{*} Our sustainably sourced, 100% vegetarian capsules keep the herbs pure & potent and dissolve quickly so the herbs are rapidly available for absorption.

Full-Spectrum Extraction: Our Difference

Many companies isolate elements from an herb, concentrate them, and label it "whole herb." New Chapter® delivers the wisdom of *whole food*. Using only supercritical CO₂ or traditional techniques of extraction, our *Force* extracts offer a broad spectrum of beneficial phytonutrients in their natural profile.
