

Bronson's Turmeric is a common spice that is a potent antioxidant. Best known as the yellow spice in curried foods, turmeric has been used for thousands of years through the Far East as a detoxifying herb. Regarded in Indonesia as the "Queen" of all herbs, Turmeric has long been revered in India, China, and Japan as an essential staple. Today, many authorities consider Turmeric to be the most significant of all herbs.*

DIRECTIONS: As a dietary supplement, take 1 capsule two times daily, preferably with a meal, or as directed by a health professional.
