

Supplement Facts (continued)

Recommendation: As a dietary supplement, take two to three capsules (depending on body weight) with meals two to three times daily.

As with all natural products, color and taste may vary. Do not use if safety seal is missing or broken. Keep out of reach of children. Store in cool, dry place.

Warning: Do not take if pregnant or nursing. Diabetics and people who suffer from hypertension, liver disorders, severe kidney insufficiency, or hypokalemia should not take this product without consulting their doctor. If you are taking any medications, or experiencing health issues, consult your doctor before use.

***This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
